What's New, What's Hot: January 2012

The Kiva Stowaway Messenger Bag folds into its own internal pocket until you need it to tote those unforeseen purchases or for general walk-about-town duty. The bag, which weighs only slightly more than half a pound and measures 11 by 15 by 5 inches, offers a zippered top closure, two large zippered pockets (one exterior, one interior), an organizer, two exterior water-bottle holders and a quick-adjust air-mesh shoulder strap.
